

**Verbotsscheine**

Die Sicherheit am Arbeitsplatz ist für jeden Besitzer oder Benutzer eines Gebäudes oberstes Gebot. Wenn eine Gefahr festgestellt wird, müssen die Mitarbeiter für ihre eigene Sicherheit durch eine angemessene Unterrichtung auf sie hingewiesen werden. Die Verbotsscheine für Sicherheit und Gesundheitsschutz von JALITE AAA weisen auf bestimmte Verbote hin und unterstützen die Direktoren, Gebäudebesitzer und Mitarbeiter bei Gefahrenverhütung und sicheren Arbeitspraktiken.

**Verbotsscheine**

Ein wirksamer Brandschutz ist die wichtigste Voraussetzung zur Verhütung von Bränden und für die Sicherheit des Personals. Durch Verbotsscheine lassen sich Handlungen unterbinden, die eine Verletzungsgefahr oder ein anderes Risiko in sich bergen. Es empfiehlt sich, diese Zeichen an gut sichtbaren Stellen überall im Gebäude anzubringen.
